

Working in partnership with

The Swindon Packs: Get Going with Groups

A two day course for Speech and Language Therapists hoping to develop their skills working with young people who stammer.

Full access to the Swindon packs are included in the cost of the course.

Please note access to the packs is not available unless you attend this course.

This course will be run virtually via Microsoft Teams.

Thursday 23rd November 2023 & Friday 24th November 2023

9.30am - 4.00pm

- Ideas on setting up and running groups for young people who stammer. (Including virtually)
- Discussion of the Swindon Packs. They are full of practical activities and handouts that can be used for group work or individual therapy. Swindon's outcome measure charts are also included
- 'Smoothies' pack for 7 - 9 year olds
- 'Blockbusters' pack for 9 - 13 year olds
- 'Teens Challenge' pack for 13 - 17 year olds
- Introducing strategies to young people who stammer
- Working with parents
- Outcome measures
- Using Solution Focused Practice and ACT with young people and with parents
- Setting up groups in your area
